

Hockey Canada Skill Development Camp ...

The Hockey Canada Skills Development Camps were developed to provide players with an opportunity to enhance their fundamental skills in a positive, learning environment. The primary focus of the camp is centered around on-ice fundamental skills, with time scheduled for life skill enhancement in areas such as respect, fitness and teamwork.

The Hockey Canada Skills Development Camp is a one-day event open to boys and girls playing in the Atom and Peewee divisions (9-12 years of age).

Fundamental skill development is the primary focus of the program, ensuring players receive the necessary learning opportunities to further enhance their skill base.

The Hockey Canada Skills Development Camps focus on learning: fundamental skills, fair play, respect, teamwork, leadership and fitness.

Players have fun while receiving professional instruction in a positive environment.

Camp Objectives:

- to develop and enhance the fundamental skills of skating, passing, stick handling and shooting
- to create an opportunity for players to meet other players and develop friendships
- to promote the fun of the game
- to teach the concepts of fair play, fitness, safety, team work and the importance of a positive attitude
- to provide a memorable experience for all who attend

Players who attend this camp will receive a Skills Camp jersey and water bottle.
